Florida Department of Transportation

Official Highway Mileage

From: To: Results:

The intercity distances indicated on this web page are provided by the Florida Department of Transportation, Transportation Statistics Office. An abbreviated version of this information is displayed on the Florida Official Transportation Map. This information is also available in spreadsheet form from the Department of Transportation. Mileages are determined via selected state, county, and city roads. Distances are computed along the shortest routing. The intercity distances indicated shall be used, when possible, for travel reimbursement purposes described in F.S. 112.061(7)(d)2.
